OBJECTIVE

Final-year International Finance student at Foreign Trade University with CFA Level 1 passed (1755/1900). A fast learner who enjoys working with numbers, with hands-on experience analyzing financial statements across multiple sectors and coordinating cross-functional teams. Eager to join a professional internship program as a proactive, detail-oriented team member, contribute to real projects alongside experienced professionals.

EDUCATION

Foreign Trade University

Major: International Finance

GPA: 3.41/4.0

Hanoi

2023 - Present

Professional Certification

Passed CFA Level 1: **1755/1900**

[Exam result](#)

- **Financial Reporting & Analysis:** studied the structure of core financial statements, revenue and expense recognition policies, inventory, lease and fixed-asset valuation methods under IFRS policies, and factors affecting financial reporting quality - training in spotting red flags and control weaknesses that misstate a company's true financial position.
- **Ethical and Professional Standards:** studied the CFA Institute Code of Ethics and Standards of Professional Conduct, building a foundation for objective judgment and professional integrity in client-facing engagements.

WORK EXPERIENCE

FPT Telecom

Finance Intern

Hanoi

Jun 2026 – Aug 2026

- **Performed financial statement analysis** in Excel for FPT Telecom and three competitors, computing liquidity, leverage, and activity ratios plus a profitability (DuPont) breakdown, to **flag early-warning indicators of liquidity, solvency risk and cross-checking business performance**.
- **Researched and analyzed the business operations and financial performance** of 5 ASEAN companies by reviewing their financial statements, sharpening analytical skills and comfort working with financial data across different markets.

ACTIVITIES

Club of Future Accountants and Auditors (CFAA)

Member of the External Affairs Department

Hanoi

Nov 2023 - Dec 2024

- Secured and managed relationships with **4 corporate sponsors**, coordinating meetings and negotiations that raised **15,000,000 VND in cash** and in-kind sponsorship, while preparing meeting minutes to track follow-up actions.
- **Led a team of 10**, overseeing contract preparation, document management, and task coordination, managing project documentation and timelines in a manner similar to tracking project data and deadlines.

HONORS & AWARDS

Top 8 | FBF Financial Research Challenge 2026

Hanoi

- **Round 2 (Top 16): Conducted risk-focused due diligence** research on Gemadept (GMD) and Hai An Transport (HAH) through consolidating financial statements, annual reports, and industry data to assess business, financial, and integration risk factors relevant to a proposed M&A transaction between the two companies.
- **Round 3 (Top 8): Prepared a corporate report** on PetroVietnam Technical Services (PVS), covering industry research and an ESG evaluation, together with **financial statement analysis** in Excel, cross-checking financial data against operational characteristics to identify accounting anomalies and financial risk.
- Prepared and proofread both final reports for submission, reflecting strong document review and technical writing skills.

Top 40 | I - INVEST 2026

Hanoi

- Conducted **sector-risk research** on Vietnam's Retail industry and Mobile World Group (MWG), applying a **substantive test** in Excel to assess **financial health and operating risk** behind Bach Hoa Xanh's business model.
- **Structured and presented analytical findings** into a comprehensive corporate assessment report in PowerPoint, translating complex financial data into clear, well-supported opinions for stakeholders.
